

## LST 302- Network Mapping

### Canvas Rubric

| Criteria  | Ratings                            |                                 | Pts      |
|---|------------------------------------|---------------------------------|----------|
| <p>Comprehensiveness</p> <p>Includes all major references in the work, including each in a separate row for each time it is cited.</p>  | <b>30.0 pts<br/>Full<br/>Marks</b> | <b>0.0 pts<br/>No<br/>Marks</b> | 30.0 pts |
| <p>Accuracy &amp; Formatting</p> <p>Includes valid references only; correctly names citing/cited authors. Uses correct format for entered names: LastName [no comma] FirstName.</p> | <b>30.0 pts<br/>Full<br/>Marks</b> | <b>0.0 pts<br/>No<br/>Marks</b> | 30.0 pts |
| <p>Distinguishing Reference Types</p> <p>Correctly distinguishes mentions of new names based on whether they are formally cited or simply referred to.</p>                          | <b>20.0 pts<br/>Full<br/>Marks</b> | <b>0.0 pts<br/>No<br/>Marks</b> | 20.0 pts |
| <p>Database Maintenance</p> <p>Adds any and all new names to the "Names" database so that they become available as autofill options for other students.</p>                         | <b>20.0 pts<br/>Full<br/>Marks</b> | <b>0.0 pts<br/>No<br/>Marks</b> | 20.0 pts |
| Total Points: 100.0   |                                    |                                 |          |
